Morgan Owners' Club Supersprint Gardner GP Circuit, Sydney Motorsport Park Saturday 11 AUGUST 2018

Dear Competitor,

You are invited to enter the Morgan Super Sprint 2018 to be held on Saturday 11 August at SMSP Gardner (original GP) Circuit.

Entry is via CAMS Event Entry which is accessed via the member portal on the homepage of the CAMS website www.cams.com.au. If you are new to CAMS Event Entry and need guidance please speak with your CSCA club delegate. If you are not a member of a CSCA club and need help, please call me.

Entries will be accepted as per Supp Regs Item 11. I would appreciate it if you could make sure you provide ALL information to confirm your vehicle class and lap times to help place you in the appropriate running group. If you do not have a time for the Gardner Circuit, please provide lap times for other circuits (refer Item 9). This is important as it may not be possible to change groups on the day.

Electric and hybrid vehicles (EVs): For the first time in a CSCA event, the Morgan Super Sprint will accept entries of electric and hybrid vehicles. Please refer Sup Regs Items 14 and 15 for information about entries of EVs and contact me if you have queries re: additional signage.

Confirmation of entry will be via 2 emails. The first will be notification of acceptance of your entry. The second will confirm your competition number, vehicle class and include any last minute information competitors should have. The second email will be sent in the week before the event.

It is compulsory for all CAMS driver licence holders to be a member of a CAMS affiliated club. Club membership card + CAMS licence will be checked at documentation prior to scrutineering (refer Item 12).

As per previous Morgan Super Sprints, the garages at SMSP are not available on the day. Carports are on a first come basis.

We are looking forward to another great day at SMSP. Hope to see you there.

Regards,
